VERBS

It can be a distraction
It can make you feel
sleepy
It can cause headaches or
ear damage if played too
loud

- It lifts your spirits
- It cheers you up
- It helps you:
 - to chill out
 - to motivate you to reach your goals
 - to create a nice atmosphere
 - to activate your imagination

Why is music important?

- Playing/listening to music has a very positive effect on the development of a child's brain.

It's uplifting
It makes you feel happy
It improves your mood
It helps you to express feelings of
anger/love/sadness/joy
